

The Summary Annual Report...SAR

Initial

I have reviewed the SAR.

The Summary Annual Report, also known by its acronym, the SAR, is, generally speaking, a one-page summary of the ERISA Plan's Form 5500 report. ERISA mandates for the SAR to be distributed to Plan Participants within two months from the Form 5500's due date (the SAR is not required to be issued if the plan is 100% self-funded such as a Health FSA plan).

The SAR's purpose is to inform the Plan Participants of the carriers and the policies included within the Form 5500 report. Additionally, funding is noted as well as the financials including the total premium spent and the claim total, if applicable.
